

Northampton High School's Cooking & Baking Diary- Padlet Instructions

- You don't have to have an account; all you have to do is click on the '+' button in the pink circle to upload your photo/description. Once you have clicked the '+' button, you then need to click the arrow pointing up with a line underneath it (bottom left hand side) to actually upload the photo. You won't see your submission on the Padlet board until I have approved it, so don't worry if you can't see it immediately!
- Please upload a photo of just your outcome(s) (see example above)
- This is a space for staff and students!
- You can upload as many times as you want to 😊
