#### Winter Wonderland

Snowy white winter wonderland  
as white as a dove and as quiet as a whisper  
a blanket of snow on the floor

White trees reaching out at me  
with snow on their branches  
The trees are giants with big white blankets on their heads

Tranquil water, calm, bubbling  
as cold as a freezer  
cubes of ice forming steppingstones

Mollie Molloy

#### Christmas Day

Snow wraps the ground like white silk,  
Icicles like soldiers line the trees,  
A gentle stream rippling like a slippery snake, calmly washes by,  
Blobs of white like steppingstones fall in the middle.  
A full moon is floating in the dark blue sky, hidden only by a few clouds,

A cottage with a Christmas tree in the window is welcoming in the distance,  
An immaculate Christmas wreath on the door,  
A warm fire inside, and mince pies on the table,  
A turkey is in the oven, and smells of Christmas pudding are floating in the air,  
Special presents and happiness for everyone are in that small cottage.

# Music captains

Hi my name is Sima. I am a music captain, me and my music captain friend Sienna could like you guys to explore music and to maybe start to play a musical instrument. I and Sienna will be working with Mr. Nathan and some other music captains, and make sure to check our music captain leadership board to see some competitions you can enter and some other stuff.

## Music Captain:

I wanted to be a music captain because I like listening to different styles of music. I enjoy learning how to play the piano, it can be challenging but once I've mastered the piece, it sounds beautiful. It is interesting to learn about reading music and most of the words are in Italian. We are going to be holding a different music-related competition every two weeks and the winners will receive house points!

# Eco captains

Hi, my name is Isla, and I am one of the eco captains. With my role I want to keep our green flag up as we worked hard for it. I really want to make everyone more ecofriendly by Recycling, turning lights off when not needed, litter picking. We are making a picture out of bottle lids so if you can start collecting them, we would be grateful. Please deliver these to the 6N or 6H classroom before the end of January. Please check our board regularly to see updates and challenges we have made. Thank you, Isla Moffat

Hi, my name is Amelie, and I am one of your eco captains for this year and I can't wait to hold competitions like an eco-code poster or challenges like collecting bottle lids to help make creative artwork. We are also helping animals with collecting food and water with feeders and providing shelters which will both be put up very soon. Over Christmas break I will be doing a litter pick in Harding stone to help keep our environment clean and you can help by using rubbish bins provided in local areas hope you have great Christmas break!
