

NORTHAMPTON HIGH SCHOOL

Remote Learning Guidance for pupils (senior school)

If you are well but unable to come to school, or if the school is closed and you are well, you should continue your learning online following the steps below:

- Log on to firefly to access the work set by individual subject teachers through the tasks section. To login to firefly from home, go to <https://northamptonhigh.fireflycloud.net/> and click 'staff and students', then use your school email and password when asked.
- The relevant resources or links will be saved in firefly, or possibly on a google classroom or onedrive page. Tasks will be labelled as follows **date, class, teaching period, subject - lesson title** e.g. 25 March Period 4, U3M, French - Les vêtements
- The firefly task will include a web link to the relevant resources. Remember to log in to google or onedrive using your school email address and password. The amount of work set should reflect the length of an ordinary lesson (or lesson plus prep time, following the usual prep timetable).
- Where possible, it is a good idea to complete tasks when you would ordinarily have had your lesson. You should complete any tasks set by the deadline given in firefly.
- The majority of the work your teachers set will include acquiring new knowledge, skills or understanding and then demonstrating, consolidating or applying it to certain situations. Some work will be completed online and other work may be more project based, or written down.
- You should submit completed work by uploading it into the correct place (such as google drive or direct to firefly), labelled with the task and the deadline date - instructions for this will be in the firefly task. **Please do not email work or direct links to your teachers.**
- You may be asked to respond to feedback once the work has been marked by your teacher. Teachers will inform you, through firefly, which pieces of work will be assessed and how (for example, by submitting online, or later once school has reopened).
- If you need to talk to someone about a problem or concern whilst at home, please do email your form tutor and Head of Year in the first place and they can arrange to support you in the best way possible.

Finally, if you have any questions about your learning, you can communicate easily with your teachers by school email, on firefly via messages or within google or onedrive if you are responding to marking or feedback.
