Year 9 entry for September 2022

1. Should you wish to apply for a place for Year 9 entry, we recommend that you complete and return the registration form and non-refundable fee of £75 to the Admissions Department by **Friday 15 October 2021**. Registrations after this date are still accepted, however, applications for Scholarships may not be possible, dependent upon deadlines.

The registration form can be found at the back of the General Information booklet or online at <https://application.gdst.net/school/northampton-high-school/>

2. In mid-October, the school shall write to all registered applicants to invite them to attend the Entrance Assessment Day in **January 2022**.

Applicants will also be invited to apply for any of our Scholarships: Academic, Creative Arts, Performing Arts, Sports and Swimming. Scholarship application forms will be sent out to applicants upon request; an application form for the Academic Scholarship is not required.

Completed Scholarship application forms and portfolios should arrive at the school no later than **Friday 10 December 2021**. Further information regarding our Scholarships can be found in the Scholarships and Bursaries booklet.

3. On the Entrance Assessment Day, applicants will sit one Maths and one English assessment. Applicants applying for an Academic Scholarship will also complete a non-verbal reasoning paper and answer an essay question from a choice of essay titles. External applicants will have the opportunity to meet with the Head for a 'getting to know you' session.
4. In early January, after the Entrance Assessment Day, shortlisted applicants for the Creative Arts, Performing Arts, Sports and Swimming Scholarships will be invited to attend an interview and/or practical assessment session at the school.
5. In mid-February, the school shall write to all parents and guardians to let them know if their daughter has been offered a place at the school, and if any Scholarships have been awarded.
6. To accept our offer of a place for their daughter, the admissions paperwork should be returned to the Admissions Department in **March 2022**.

We hope that your daughter will be joining us in September 2022.
