

## Condover Hall Netball Tour: Friday 4 to Sunday 6 March

### Northampton Navy

**Day 1:** In the tournament we first played Shrewsbury High. During the first half we were in the lead by 3 points but unfortunately after half time Shrewsbury scored 3 times ending our first game in a draw. Our second game against Royal Bath high resulted in an unlucky loss of 11-6. Next we played Notting Hill A, a team who played phenomenally (and got to the cup final) but sadly we lost confidence and ended up losing 13-0. In our 4th game we opposed Blackheath. The first half we began to improve and drew with them but then just lost 2-4. The next game we yet again drew at half time during an incredible close match against Sydenham, and in the last 7 minute Sydenham scored twice. Our second to last match we played Sheffield High who also made it to the cup finals instead this time we managed to score amazing goals, but unfortunately Sheffield played with astounding sportsmanship and scored 12 times. Our last match of the first day was against Oxford and at the beginning we started playing with more perseverance and hope, ending the first half with 2-3 to us. However in the second half we slightly lost our footing and Oxford scored two goals winning 5-3.

**Day 2:** On the last day we had the chance to win the plate and this time we kept our heads up slightly higher. In our first match we faced Blackheath again (who we previously lost to by 4-2) but this time we managed to prevail by working hard and cohesively performing well. This match then ended in a well deserved 5-0 win. The second game that day was unfortunately less successful with our opposing team Putney winning 6-1. Our third game we played Sydenham (who we lost to by 3-0 on the first day) but this time we won 4-2 after a nail biting match. Our last game of the weekend was against South Hampstead and arguably our best, it was extremely back and forth and very intense. But through hard work our team won 5-4 and came second in our table sadly missing out on the plate. Overall we worked as hard as possible and together made ourselves proud. ***Isla N***
