**GENERAL INFORMATION GUIDE**  
**2022/23**

# Welcome from the Head

Welcome to Northampton High and it is my pleasure to introduce you to our School.

Founded in 1878, we are a school for girls aged 2-18, and our close-knit community of around 500 pupils is a special one. As experts in girls' education and part of the Girls' Day School Trust, we are proud to offer a forward-thinking approach to teaching, learning and wellbeing, enabling our pupils to achieve and exceed their potential at every stage.

We are unashamedly proud of our pupils' many successes. From achieving excellent results academically to outstanding success in Sport, Music, Art, and Drama and for our work within the local community. In both our Junior and Senior Schools, we are always true to our mission statement: we believe in our girls, and they believe in themselves. If you read our latest Independent School Inspectorate report, available on the ISI website, you will see that we are judged to be extremely successful in providing a learning environment in which our pupils are confident and fearless, and they feel empowered to stretch themselves both intellectually and personally.

As you read this information guide, and our website, I hope that you will discover for yourself what makes Northampton High special.

And if you would like to visit us, a warm welcome awaits you.

**Dr May Lee  
Head**

# Admissions

## Entrance Procedures

### The Nursery School and Junior School

#### Early Years & Pre School (age 2 - 4 years)

Your daughter can join our Nursery School as soon as she turns two, at any time of the year. Once you have visited and decided to register your daughter, a formal offer will be made for you to confirm her place.

You and your daughter will be invited to the Nursery School setting before she starts. Pupils move into Pre School during the year before they start Reception, to help them prepare for this exciting new stage.

#### Reception (age 4 - 5 years)

Girls may join Reception in the September after their fourth birthday. We invite you to look around the school and meet with the Head of the Junior School, Miss Hair. Once you have registered your daughter, a place will be reserved for her.

We will contact you up to a year in advance of your daughter's proposed start date to offer her a place. A visit is arranged in July, when girls meet their peers and new teacher.

#### Years 1 - 6 (age 5 - 11 years)

You are invited to have a personal tour and to meet with the Head of the Junior School, Miss Hair. Once you have registered your daughter, we will contact you up to a year in advance of your daughter's proposed start date to arrange a visit for her. She will spend a morning (Year 1) or a day (Years 2 - 6) with us, in a class with girls of her own age, during which time she will complete our online assessments in English and Mathematics.

Places are offered following successful completion of our entrance assessments (for entry into Year 1 and above). A further visit is arranged in July when your daughter will meet her peers and her new teacher. Except in rare and unusual circumstances, all pupils in Year 6 in Junior School automatically progress to the Senior School.

### Senior School (Years 7 to 11)

There are two main points of entry; at 11+ and at 13+, although occasionally there may be places available in other year groups. Once you have registered your daughter, she will be invited to come into the school in the January preceding the September of her entry, in order to sit the school's Entrance Assessment. In February, offers of places, Scholarships and Bursaries will be confirmed.

The Entrance Assessment for entry into Year 7 for September 2023 will be held on Friday 20 January 2023. This assessment consists of English and Mathematics exam papers.

Bursaries are available as well as our Reach, Flair and Spirit Scholarships for entry into Year 7.

The Entrance Examination for entry into Year 9 will be held on Wednesday 18 January 2023. This Assessment consists of papers in English and Mathematics.

Our Reach, Flair and Spirit Scholarships are available for entry into Year 9.

All girls are invited to an Induction Day in the July, prior to starting Senior School.

**We are pleased to make individual arrangements to test girls who wish to join the school part way through the academic year.**

### Sixth Form (Years 12 & 13)

Admission requirements for entry to the Sixth Form include successful completion of our Entrance Assessment and obtaining six Grade 7s at GCSE, including a minimum of Grade 6 at GCSE in English and Maths (or the equivalent in international qualifications).

By negotiation with the Director of Sixth Form and the Deputy Head Academic, admission guidelines may be varied if appropriate courses can be designed for individual students. Individual subjects may set expected minimum requirements, generally Grade 6 where a GCSE subject is needed for further study. However, occasionally Grade 7 might be deemed necessary. Further information is published in the Sixth Form Programme Guide.

New students wishing to join the school will meet with the Subject Leaders of the subjects they wish to study and we will request a report from the student's current school. A conditional place is then offered, and confirmed once your daughter receives her final GCSE results.

Bursaries are available, as well as our Reach, Flair and Spirit Scholarships for entry into Year 12.

### Registration

You can register your daughter at any time by completing our online Registration Form on our website, or by scanning the QR code below. We will then keep in touch with information on our events and opportunities to visit the school. You will also be sent information about the next steps in the admissions process.

**Please scan here to access our online Registration Form**

### Visiting the School

We hold a number of Open Days throughout the year, which you are very welcome to attend. Dates and further information can be found on our website.

We are happy to arrange a personal tour during the school day, which will give you an insight into life at our school. You will also have the opportunity to meet with Dr Lee, Head, or Miss Hair, Head of Junior School.

# The Curriculum

## Extracurricular Activities

**Junior School:** There is a wide range of extracurricular activities for pupils in the Junior School, which take place before the school day, during lunch breaks and after school. Details of all the activities on offer are available at the beginning of each term.

**Senior School:** There are many extracurricular activities that take place before the school day, during lunch breaks and after school. There is a wide range of activities to choose from including academic enrichment, outdoor activities, Performing Arts and Debating, Creative Arts and Service options, plus much more. We hold a clubs fair at the start of the autumn term, where pupils are able to select the activities they wish to participate in.

**Special Educational Needs:** All students have different learning needs and we offer enrichment and enhancement opportunities across the ability range. Our Learning Enhancement Coordinator works with pupils across the school, liaising closely with class teachers and classroom assistants to ensure needs are met.

**English as an Additional Language (EAL):** There is excellent provision for students who have English as an Additional Language. An EAL specialist works with teachers in the Junior School and Subject Leaders in the Senior School. The EAL specialist assists with pastoral care and facilitates the cultural integration of students joining us from overseas, ensuring excellent standards of English acquisition appropriate to the academic requirements of those following our EAL programme.

## Transfer Arrangements Between GDST Schools

Sometimes pupils have to relocate and want to transfer to another GDST school.

A transfer will usually be agreed, provided a place is available, and that the Head of the new school judges that the pupil will thrive there. The previous Head's recommendation is sought and an admissions assessment may be required.

# Information

## Bus Routes

We run a full transport programme for pupils to travel to and from school with routes stretching from Kettering, Daventry, Brackley, Towcester, Milton Keynes, Olney, Rushden and Northampton. In addition to the regional services, we also offer local services from nearby areas such as Grange Park, Wootton Fields, Collingtree Park and East/West Hunsbury, as we know that many parents like their children to experience the independence of travelling to school themselves. Our School Transport vehicles are used exclusively by our pupils and are a popular choice, ensuring children arrive at school safely and prepared for the day.

All of our School Transport routes are operated by our own in-house school mini-buses and MPVs, which offer a dedicated driver employed by the school specific to each route who is able to see a 'live' passenger list for each journey. Our online system also features a vehicle tracking facility for parents so you can see the location of the vehicle en-route, with an option to view confirmation that your child has boarded/alighted the vehicle safely. Pupils from Year 3 and above are permitted to use the School Transport service, and we try to offer as close a convenient pick-up point as possible to make this experience positive.

We operate a late service which runs Monday to Thursday at a later departure time, allowing for a safe return journey to any students wishing to make the most of our extensive after school clubs/activities.

## School Policies

Copies of policies can be found on our website: [www.northamptonhigh.gdst.net](http://www.northamptonhigh.gdst.net).

## Uniform

Uniform should be purchased from SchoolBlazer and ordered online at [www.schoolblazer.com](http://www.schoolblazer.com). Details are provided in the Welcome Booklet.

We also have a second-hand uniform shop in school, which is run by parent volunteers.

## School Meals

All girls have school lunch and we pride ourselves on the choice and quality of our meals. All our meals are cooked onsite and we are able to cater for most dietary requirements. The cost of school lunches is added to the fees invoice.

# Scholarships & Bursaries

## Life-changing Opportunities

As a charity, the GDST awards Scholarships and Bursaries to the brightest and most deserving girls so that the largest possible number of talented girls can receive the benefit of a GDST education. In particular, it focuses its support on girls for whom the chance of a GDST education would be a transformative and life-changing experience.

## Junior School Awards

We are delighted to consider pupils in Year 4, Year 5 and Year 6 for our Music Exhibition Awards.

A Music Exhibition Award is awarded to pupils with outstanding talent in Music, and will cover the cost of music tuition in one instrument (or voice). The Music Exhibition Award will be awarded for three years; pupils will be asked to complete a simple application form and attend an audition.

Applications are welcome between March to mid-May.

## Scholarships

### What is a Scholarship, and does my daughter qualify?

Our Scholarships are awarded to pupils in recognition of outstanding achievement. Scholarships are awarded to selected students entering Year 7, Year 9 and Sixth Form (Year 12).

Scholarships do not hold a remission in fees and are not means tested. Scholarships normally stay with the pupil throughout their time with us, up to the end of Sixth Form. It is possible to hold more than one Scholarship. Scholarships may be held alongside a Bursary.

### Scholars' Programme

Our Scholars' Programme recognises, rewards and celebrates our pupils' characteristics, talents, interests and aptitudes, whilst providing them with enrichment and support. We offer ongoing development opportunities for students to build on their talents, model behaviour and represent the school in an ambassadorial manner.

Our Scholars:

- receive an annual award of up to £500, to enhance their academic interests. All expenditures should be agreed by the Reach Coordinator.
- are given dedicated support to guide them in their supra-curricular and cocurricular activities.
- are invited to attend an annual Scholars' Celebration.
- are invited to attend discussions on pupil-led topics, critical thinking sessions and the Minerva lecture series.
- are invited to attend an annual Scholars' Trip to a museum, exhibition, theatre, lecture, workshop or talk.

### How to apply

Prospective students should be registered before submitting an application for a Scholarship. Once students are registered, we will contact you to provide details on how and when to apply for our Scholarships.

Scholarship applications received after the published submission dates will regrettably not be considered.

### How will I know if my application has been successful?

We will write to parents of all applicants for our Year 7 and Year 9 Scholarships in mid-February 2023. We will write to parents of all Sixth Form Scholarship applicants in mid-December 2022.

# Scholarships

## Reach Scholarship

In recognition of excellence in academic results in our entrance assessment, and performance in our scholarship papers.

## Flair Scholarship

In recognition of excellence in a demonstrated talent, for example, Art, Craft & Design, Creative Writing, Dance, Fashion Textiles, Food Technology, Music and Sport.

## Spirit Scholarship

In recognition of characteristics prized by the School: a pupil's character, passion and endeavour in an area of special interest to them. This could include activism on a topic of interest, service to the wider community, involvement in volunteering, commitment to personally addressing an issue such as the climate emergency, animal welfare, support for the homeless and charitable or outreach endeavours.

## Reach Scholarship

Year 7- Pupils are invited to sit the Reach Scholarship paper (English and Maths) in January 2023, upon a high-scoring performance in the entrance assessment (English and Maths), taken on Friday 20 January 2023.

Year 9- Pupils are invited to sit the Reach Scholarship paper (English essay, Maths paper and non-verbal reasoning test) in January 2023, upon a high-scoring performance in the entrance assessment (English and Maths), taken on Wednesday 18 January 2023.

Year 12- Pupils are invited to sit the Reach Scholarship paper (English essay and cognitive ability test) in November 2023 upon a high-scoring performance in the entrance assessment (English and Maths).

## Flair Scholarship

### How to apply

- Parents should register their daughter online.
- Pupils should submit a typed, written piece of between 500 to 1000 words, on their parent's online registration account, outlining the key reasons why they are deserving of a Flair Scholarship award. Pupils should provide details of the level that they have achieved and how that level is significantly higher than would be normal for a pupil of that age. This may include external evidence of achievement, such as a high music, acting or dance grade, or recognition of sporting achievement at regional or national level, for example.
- Pupils should also submit a video of between 3-5 minutes in duration, on their parent's online registration account, outlining or demonstrating their talent in their chosen activity or interest.

Applications will be reviewed and shortlisted applicants will be invited to attend an interview with the Head and/or a member of the Senior Leadership Team and relevant Heads of Faculty or Subject Leaders. Applicants may also be invited to attend an audition or practical session.

## Spirit Scholarship

### How to apply

- Parents should register their daughter online.
- Pupils should supply a typed, written piece of between 500 to 1000 words, on their parent's online registration account, outlining the key reasons why they are deserving of a Spirit Scholarship award. Pupils should provide details of the work they have done in their areas of specific interest or endeavour, and how they believe this reflects the values of the school. This may include external evidence of achievement, such as awards or commendations.
- Pupils should also submit a short letter of reference from an appropriate person, such as a teacher or community leader, ideally working within the area of their specific interest.

Applications will be reviewed and shortlisted applicants will be invited to attend an interview and give a presentation of between 3-5 minutes in duration, to the Head and/or a member of the Senior Leadership Team.

### Deadlines for submitting Flair and Spirit Scholarship applications

Year 7 and Year 9 Scholarship applications should be submitted by Wednesday 30 November 2022.  
Year 12 Scholarship applications should be submitted by Wednesday 9 November 2022.

### Dates of Scholarship awards

Year 12 Scholarships are awarded in December 2022.  
Year 7 and Year 9 Scholarships are awarded in February 2023.

# Bursaries

If your daughter would benefit from the educational experience that Northampton High School offers, but your family is not in a position to cover the full fees, you may be eligible for a GDST Bursary. To be considered for a Bursary we ask that all girls are registered with us. Bursaries are only offered to pupils entering Year 7 or Year 12. For entry in September 2023, the deadline for submitting a Bursary application is Wednesday 30 November 2022.

## When and how should I apply for a Bursary?

1. If you are interested in applying for a Bursary for your daughter, you should register her for a place with us by the end of October 2022, by completing our online Registration Form.

2. Once your daughter is registered, you will be able to submit a Bursary application on your parent online registration account.

## Does my daughter qualify for a Bursary?

- Bursaries are means tested according to parental income and assets.
- All Bursary applicants are required to sit an entrance assessment and may also be invited to sit the Reach Scholarship assessment.
- Due to the huge number of Bursary applications received, financial eligibility does not guarantee a Bursary award. Academic merit and performance in the assessments are also taken into account when making a decision regarding a Bursary award.
- Bursary awards can be up to 100% of the value fees and are offered to selected girls entering Year 7 and Year 12.
- The amount of the Bursary and number of Bursary awards depends on local demand and the funding available.
- Bursaries awarded for less than full fees are done so on a graded scale, according to parental income.

The online Bursary application should be completed by Wednesday 30 November 2022. Applications after this date will regrettably not be considered. You will be asked to submit proof of your income and assets, such as P60s, payslips, HMRC self-assessment forms, mortgage statements, council tax bills, or recent benefits paperwork.

The outcome of your Bursary application will be communicated to you in mid-February 2023.

Please contact Miss Olivia Cheng, Registrar, at [o.cheng@nhs.gdst.net](mailto:o.cheng@nhs.gdst.net) with any questions.

• Most Bursaries for higher values will be awarded to girls from families with a total income of less than £39,500 a year and with no capital assets other than their home. It is highly unlikely that a Bursary would be awarded to a family whose annual income is greater than £92,000, other than in very exceptional circumstances.

• Bursaries are reassessed annually, in case of a change in circumstances.
