(Pink jelly beans come on)

This is Yasmine (Yasmine comes on) she wants to be friends with all the pink jelly beans, however they don't like her

Andra: ew its her again

Yasmine: (runs off)

They called her names like

Izzy: ew she's a weirdo

Charlotte D: *laughs*

Charlotte: This happens every day.

When Yasmine got home she went on her laptop and searched up modelling agencies.

She found: !MODELS WANTED THAT ARE DIFFERENT!

Charlotte: Yasmine thought to herself

Poppy: This is perfect!

She filled out a form and forged her mothers signature to become a model

Days went on and finally she got the call up

They really liked her because she was different

She then left school to become a model

She then got a text one day

Poppy- oh my gosh

It was the pink jelly beans asking to be her friends again

Yasmin the yellow bean blocked them and she then went on to become the most famous model in the whole wide world.
